

## **Canvas Care Kit**

### **Frequently Asked Questions**

**Q. What does the Canvas Care Kit include?**

The Canvas Care Kit comes with snap lube, 10 complete replacement snaps, and a punch & anvil snap setting tool -- all in a floating case.

**Q. How do I replace snaps with the punch & anvil snap setting tool?**

Refer to the article "[Replacing Snaps with the Canvas Care Kit.](#)"

**Q. How many snaps come in the snap pack?**

There are 10 complete replacement snaps in the snap pack.

**Q. What size are the replacement snaps?**

The snaps are the standard size for boat canvas applications. The stud is 3/8" across and the center post is 1/4".

**Q. Are the snaps stainless steel?**

No. The replacement snaps are marine grade nickel plated brass.

**Q. How do I use the snap lube?**

Apply snap lube sparingly to the snap dome and stud to add lubrication and cut through any corrosion, making snapping and unsnapping your boats snaps easier.
